Our Areas of Expertise

CONCEPT CREATION, IMPLEMENTATION & MANAGEMENT

Gata will make your dream come to life. We will create the theme, help you choose the ideal venue for it, then execute in the slightest of details: from the venue design and customization to the table decoration, wedding supplies and entertainment. Everything is implemented in perfect harmony!

SUPPLIERS' RELATIONS & COORDINATION

Throughout the years, Gata developed strong and privileged bonds with a wide network of quality suppliers who will match your budget, concept and taste. You name it, we provide it. We will handle the full scope of coordination, follow-up and on-ground management to make sure your wedding runs flawless.

BESPOKE CONSULTANCY

As a bespoke wedding planner, Gata offers additional services to the bride and groom in order to provide them with a truly comprehensive palette of services that covers all their needs. Our consultants and experts will gladly accompany you through this wonderful journey by helping you choose your wedding gown, pick your make-up artist and hairdresser, design and launch your wedding website, decide on a honeymoon destination, organize your bachelorette party or even write your wedding vows! Whether you are dreaming of a traditional religious ceremony or a non-conventional celebration, Gata Wedding Planner has the right match for you.

The Founder

Sandra Ghattas, founder of Gata Wedding Planner, is a seasoned event organizer with an innate passion for creativity and refinement. Over the last 15 years, she organized hundreds of private functions and trendsetting events in the luxury, arts and fashion sector. She established GATA Events & Promotions s.a.r.l. in 2010; a professional exhibition management company. In a glance, Gata became a trusted industry pioneer with many signature events in Lebanon and abroad. Backed by its strong reputation and armed with a robust network of experts and suppliers who can make any event stand out, Gata decided to branch out into wedding planning, bringing you the best of its knowledge, know-how and experience to mark a new era of weddings, planned with flair.
